Tri-Lakes Association

Watercraft Inspection Affidavit

I, the undersigned, being a member in good standing of the Tri-Lakes Association, do hereby affirm and acknowledge the following:

1. **Requirement for Aquatic Nuisance Species Inspection (ANS)**
   Prior to launching or operating any motorized or trailered watercraft (excluding canoes, kayaks, and paddleboards) on the private waters of the Tri-Lakes Association, I have ensured that such watercraft has been inspected by a duly authorized governmental agency or designated inspection station for the purpose of preventing the introduction and spread of harmful aquatic nuisance species, plants, animals, and diseases in the State of Colorado.
2. **Commitment to Compliance**
   I understand and agree that this inspection is required each time my watercraft is transported from outside the Tri-Lakes system or has otherwise been launched in any other body of water. I further agree to obtain all required inspections prior to use on Tri-
   Lakes waters and to provide proof of inspection as requested by Tri Lakes Association.
3. **Member Responsibility**
   By signing this affidavit, I acknowledge my responsibility to comply with this inspection requirement and affirm that I will not launch, operate, or allow the operation of any uninspected watercraft, as defined above, on Tri-Lakes waters.
4. **Acknowledgment of Purpose**
   I understand that the purpose of this affidavit and inspection requirement is to protect the ecological health, safety, and recreational quality of Tri-Lakes waters and the State of Colorado.
